

Wolf & Associates

THE ORGANIC SPECIALISTS

WATCHDOG PROGRAM

WE ARE THE
EXPERTS IN ALL
THINGS ORGANIC

SLEEP EASIER KNOWING WE'RE KEEPING AN EYE ON WHAT'S AHEAD

For over 30 years, Wolf & Associates has helped organic businesses stay compliant, resilient, and ready for change. Our Watchdog Program adds a layer of ongoing protection—so you're never caught off guard. You'll receive proactive alerts, expert interpretation of regulatory updates, and hands-on support from our team, allowing you to focus on what matters most: growing your business.

PROACTIVE SUPPORT, ALL YEAR LONG

Compliance isn't static—and neither is our support. Watchdog gives you direct access to our expert team for ongoing, personalized guidance. We monitor what's happening across the organic landscape and flag the updates that matter to you.

ALWAYS
ON DUTY

Strategic & Technical Advising: Providing services across a broad range of categories, from organic policy and systems plans, certification to supply chain, labeling, marketing and branding—we're here to help you make smart, timely decisions.

Regular Check-Ins: One meeting per period between our team and yours to review your needs and issues, develop a work plan, and update you on any technical issues that may affect your company.

Regulatory Alerts & Industry Updates:

We track organic and sustainability news, rule changes, and trends—so you don't have to. You'll hear from us when something affects your business.

LET'S TALK

We'd love to learn more about your needs and how Watchdog can support your team. Reach out to schedule a discovery call and explore the right program fit for you.
